A6-8 (Reclassification) OFFICE OF THE CHIEF OF NAVAL OPERATIONS

Serial No. 2843616

NAVY DEPARTMENT

WASHINGTON 25, D. C.

8 OCT 1944

MEMORANDUM

From: Director of Naval Intelligence.
To: Secretary, Joint Intelligence Study Publishing Board.
SUBJ: Cancellation of Classification of JANIS Publications.
Ref: (a) JISPB Ltr. to DNI dated 12 September 1945, same subject.

1. The Division of Naval Intelligence concurs in the recommendation in Reference (a) covering the change in classification of JANIS publications as listed from CONFIDENTIAL to RESTRICTED excepting for JANIS 73, 78 and 79. Since these last named intelligence studies were made upon the territory of a friendly power not occupied nor held by the enemy during World War II, it is believed that it would be unwise to declassify them at this time. Moreover, it is assumed that those chapters of all JANIS publications which are classified higher than CONFIDENTIAL are not affected by this recommendation; that they will retain their present classification and that these specific chapters will be exceptions to the re-issue of JANIS to non-military, government sponsored or approved organizations.
